COMMUNITY IMPACT

# WHO WE ARE

First Fidelity Bank continued to grow and innovate in 2022, as we maintained our focus on practical, creative, community-centered financial services and solutions for commercial and retail clients. As of December 31, 2022, First Fidelity Bank's regulatory capital is more than \$239 million and total assets exceed \$2.733 billion.

With a firm foundation of experienced leadership, sound risk management and an established deposit base, First Fidelity Bank is poised for continuous growth thanks to its superior customer service and dynamic product mix. A client-focused philosophy remains the foundation of the Bank's culture as we continue to be a strong and trusted partner in the communities we serve.

## OUR COMMUNITY

First Fidelity Bank's leadership believes giving back to its neighbors and communities is an important responsibility. That's why we hire and maintain quality employees for whom meeting the needs of the community is a passion. Our colleagues genuinely enjoy giving their time serving non-profit and charitable organizations, participating in religious groups, and coaching little league teams. The Bank offers colleagues Volunteer Time Off (VTO) annually and rewards them.

## HISTORY

Comprised of merged and acquired banks across Oklahoma and Arizona, First Fidelity Bank began in the 1920s as City National Bank & Trust Company in Norman, OK. Seven decades later City National merged with First Fidelity Bank in what would mark the beginnings of the full-service community bank it is today.

Market expansion began and First Fidelity Bank opened its doors in Tulsa in 2002, then six full service branches in Phoenix, Arizona in 2004, and then the latest office in Denver, Colorado in 2020, thus continuing our mission of growth.

Today, First Fidelity Bank's workforce amounts to over 350+ hardworking and loyal staff at 27 locations throughout Oklahoma, Arizona and Colorado.

## THE FUTURE

We are committed to maintaining first-class customer service, leading edge technology, innovative solutions, and superior products. We will continue to work hard to ensure our clients' assets remain secure for many years to come.

# OUR IMPACT

FFB has been the sole sponsor for 27 years. Here students are immersed into the business arena where they work side-by-side with professors, industry professionals, and community partners such as First Fidelity Bank.

We are proud supporters of the United Way in each of the communities we serve. Each year, we run a Pacesetter Campaign, which starts early and sets the tone for the thousands of workplace campaigns that take place each fall. FFB gives \$155,000 to UW agencies in OK, AZ and CO, and this funds local programs that address the community's most critical needs.

We support over 4,300 athletes with our Oklahoma Celtic and Edmond Soccer Club (ESC) sponsorship, which gathers kids of all backgrounds and skill levels.

For over 20 years, First Fidelity Bank has been involved in the Thunderbirds, a Phoenix-based organization that assists children & families and helps people in need. Our Colleagues volunteer over 150 hours per year, serving on committees and assisting at events during the Phoenix Open.
